

## Eligibility of organisations from non-EU countries

Article 8 of the Regulation No 1295/2013 establishing the **Creative Europe Programme** stipulates that countries other than EU Member States may participate in the Programme. This participation is subject to the conditions referred to in the same article.

The table below gives an indication of non-EU countries that fulfil these conditions. Please refer to the guidelines for the different calls for further details and timetables.

Country	Organisations eligible to apply in the Culture Sub-programme?	Organisations eligible to apply in the MEDIA Sub-programme?
